

Arabian Racing Association of California

June 28, 2011

Dear DAHA,

The Arabian Racing Association of California would like to express its appreciation to the members of Diablo for your participation in helping to make the first of our Wathba Stud Farm Cup Series of Arabian races a huge success.

Special thanks goes to Dorothy Burt for her organizational skills in working to provide the Native Costume riders, Alicia Benson, Michelle Quirico, and Faith Taylor.

Lastly, a big pat and a carrot goes to the Arabian horses that were ridden, O Me O Mei, Tiffany, and Curtain Call (C C).

It has been a pleasure working with your Arabian Club. We look forward to working with you in the future.

Sincerely

Cindy Scharli
